## HOW IT WORKS:

The tests are planned at TWO different levels of preparation required for a student to succeed in CAPF 2023.

**1. SECTIONAL TEST – Test 1 to 5:** Each test will be based entirely on the most fundamental sources of that particular section. It will cover all micro topics of syllabus. It will help you to know your area of weakness with reference to each topic. Sufficient time will be provided i.e. 15 days interval between each test. This will help you to read & revise given syllabus.

**2. FULL LENGTH TEST- Test 06 to 10:** These are Full Length Test (FLT) covering all the levels of difficulties and all the types of questions similar to the UPSC CAPF PAPER 1. It will be analytical in nature, application oriented with relevance to current affairs. These tests would not be restricted to few particular sources and it would cover the entire primary, secondary and other sources.
